## Winter Education Program

A week-long Winter education program (tuition classes) has been conducted for 18 scholarship children from Saraswati Secondary School in January 2022. Along with educational support, the children also received individual and group counseling. They participated in arts, fun games, handwriting and many other activities. We are thankful to the School Administration for providing access to the school premises for this program.

## Career Orientation Workshop

In May 2022, after completing the final exam of Grade 10, 8 of our scholarship children participated in a Career Orientation Workshop which was facilitated by General Secretary of OLOW Mr. Sunil Lama. The children discussed, brainstormed, and planned about their career and trained for application writing and job interviews.

## Youth Vocational Training

Class 10 graduates Kamal and Niru decided to pursue an apprenticeship. Kamal took a 34-day course to operate a JCB excavator, while Niru completed a three-month course as a cook, followed by a month-long internship. Our mentors at OLOW support both of them, as they are looking for starting their careers.

## School education for children in Nepal

### School Scholarships

Currently, OLOW has awarded 74 school scholarships to children. At the beginning of each school year in April, uniform sets are handed out in the presence of the school management and a representative of the community. In addition, we do provide stationery to our school scholarship children four times a year.

### Early Childhood Development (ECD) class set up

OLOW supported Shree Bhimdhunga Secondary School to set up an Early Childhood Development class in February 2022. More than 35 children benefited from new flooring and furnishings, 7 playground equipment, 150 story books and 16 different types of teaching tools.

### Trainings for Graduates

In September 2021, Rajita and Pranisha graduated from class 12. In July this year, both took part in a Barista Training at Social Lubricant Company. Now they are prepared to work as Baristas in a cafe.

### School Graduations

Of our scholarship children, a total of 12 successfully completed class 10 this year. We would like to thank all scholarship sponsors for their long-term support and for making this possible.

## Graduating ceremony of women literacy program

In May 2022, the certificate handover for the 6-month literacy program for women took place in the presence of the chairman of District 4 of Madhyapur Thimi, in which a total of 13 women successfully participated. Congratulations to All!

## Women Skill Training

15 women took part in a 15-day "bead-making course" combined with entrepreneurship training. Through the course, the women have the opportunity to improve their income by making pearl necklaces. In addition to imparting technical know-how, the exchange between the women leads to more self-confidence and a strong network to support each other.

## Call for School Sponsorships

Sayer (8) and Kritika (11) received a school scholarship from OLOW and are in need of a supporter.

OLOW provides currently 74 scholarships for children to go to school. In order to support more children to go to school, we always need sponsors who are willing to support a child with a donation of 20 Euros a month.

If you are interested in a sponsorship, email us at [mail@onelove-oneworld.org](mailto:mail@onelove-oneworld.org). We will then send you a report of the child and set up a direct debit, or you can set up a regular transaction. You will receive a donation receipt at any time on request.

## Thanks to our Supporters

Claudia Linde sold her beautiful handmade goods for OneLoveOneWorld e.V. at the VW Schneider Ski- and Advent bazaar in 2019. After the "Corona break", the bazaar took place again on November 6th, 2022 and Claudia stood behind her stand with a smile on her face, earned in an incredible €534.30, and donated it to OLOW. We thank you on behalf of the entire team!

Many thanks also to the Lions Club Kreuztal and to all runners for the donation of 1000 Euro, which was raised as part of the 14th activity run on September 18th, 2022 on the Eisernhardt in Siegen.

Class 3, 8 Years

**Kritika**  
Class 4, 11 Years

## Our Team is growing

We warmly welcome our new employee Samata Shrestha to our team as a Communications Specialist from September 2022. Samata studied at Jacobs University, Bremen.

She lives and works in Kathmandu and has been employed 50% at OLOW since September. Thanks to her, we can now report more regularly about our activities in Nepal and OLOW is supported in the areas of documentation and monitoring of the project activities. Warm welcome to our Team Samata!

## Festlichkeiten:

In Nepal, celebrating festivals together is really important. The festivities bring people together and bring joy to a life that is sometimes characterized by hardships in everyday life. OneLoveOneWorld celebrated among all birthdays, Dashain and Rakshyabandhan festival with children and board members.
