## NEWSLETTER DECEMBER 2022

*Dear friends and supporters,*

At the end of the year, we thank you again for your great commitment and trust in our work in Nepal.

"Let's try to see the best in everyone, to see the other in the best possible light. This attitude immediately creates a feeling of closeness, a kind of inclination, a connection."

This quote from the Dalai Lama applies to our work in Nepal in many ways, explaining the great efforts of the team and the closeness to the local people.

Thank you for supporting us in giving people opportunities and accompanying them in difficult times.

## Winter clothing campaign for Ruby Valley School

The road to Ruby Valley is long. After 11 hours by car and 5 hours on foot, you reach the valley which lies often in the shadow of the mountains. In the winter time, from December to February, it gets quite cold, and the children often freeze while sitting in unheated classrooms.

OLOW has already supported the children of the Sat Kanya Elementary School in 2020 with winter clothes, and now the school has requested our support again because the need is still there and more children are attending the school.

Just now on 23 December, we handed over sweaters, tracksuits, scarves, hats, and shoes to 96 children. We thank Alexander Faccioli for his initiative in launching a fundraiser for this purpose. Many thanks to all supporters who make this assistance possible.

## "Mulled Wine donation" at the University of Siegen

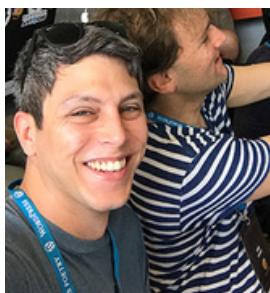

Some time has passed since Leonie York and Stephanie Theis, the two founders of the association, studied social work at the University of Siegen in 2009. But thanks to Bülent Cengiz and Alex Mosig, we, OLOW, and our work in Nepal are still being talked about on the premises of the Kult-Kaff. Bülent has been with the association since it was founded and has managed to organize the event "mulled wine donation" at the University of Siegen in the Kult-Kaff every year for 10 years. We thank you and Alex from the bottom of our hearts for so much commitment and tireless support! This year Alex and Bülent were able to successfully pass on the "scepter" and so for the first time, a new and extremely committed team was found that organized the fundraising at the university independently and passionately, and they will continue to do so in the future! Thank you very much! You are great!

## Many thanks to Wibke and Mario

Another special thanks goes to Wibke Weidekamp and Mario Wolf for their helping hands. Wibke has been supporting us for 10 years with the association's bookkeeping and the preparation of the financial reports and Mario has provided us with our website, email account, and his IT skills since the association was founded.

You are often in the background, but you enable us to do our work in Nepal and are important links between Germany and Nepal. It's nice to have you on board for so long, and we look forward to the next few years with you! Thank you very much!

With joy in what is to come, we close this year together and start the new one.

For the coming holidays, we wish you and your family a nice and peaceful time, as well as a good start to a healthy new year.
